

## Me-o-my, how you'll take to a pipe—and P. A.!

Before you're a day older you want to let the idea slip under your hat that this is the open season to start something with a joy's jimmy pipe—and some Prince Albert!

Because, a pipe packed with Prince Albert satisfies a man as he was never satisfied before—and keeps him satisfied! And, you can prove it! Why—P. A.'s flavor and fragrance and coolness and its freedom

from bite and parch (cut out by our exclusive patented process) are a revelation to the man who never could get acquainted with a pipe! P. A. has made a pipe a thing of joy to four men where one was smoked before!

Ever roll up a cigarette with Prince Albert? Man, man—but you've got a party coming your way! Talk about a cigarette smoke; we tell you it's a peach!

Prince Albert is sold in toppy red bags, tidy red tins, handsome pound and half pound tins, humidors and in the pound crystal glass humidor with sponge moistener top.

## How We Feel About A Few Things.

(The Editor)

You probably don't get all you deserve—and you ought to be glad of it.

We are fond of saying that we have no respect for a coward, but how do you account for so many who respect themselves!

Don't believe everything you hear—too much of it is true.

Also, the evil that men do live

es with them.

Even good men listen to many "good stories" that are good.

Original magazine artist about now will begin putting pictures of bathing girls on magazine covers.

None so blind as these who try to see through a stone wall.

A new dress make a new woman.

It's the half truth that hurts.

A wife is somebody that allows a man to brag about himself and

aretends to believe it.

If it were not for the other fellow, there would be no need of laws.

The man can smile "when everything goes dead wrong," is a falsifier and he knows it.

You will find that those who denounce "politicians" are those who never could become politicians.

The base are always jumping on the other side of the river.

It doesn't take so much money to live as to make other people think you are living.

Did you ever notice that one who urges you to "take a chance, as a rule, isn't taking any chance himself.

The thing that you are excited into a fever about today will be something to laugh about in six months.

Anybody can fight temptation but anybody can't whip it.

The one beautiful thing about not having any money is that you have so much company.

We all hate people who "see through" us.

Still, even the man who is "wise in his own conceit" seems to get a good deal of pleasure out of it.

No woman that is old ever observed a baby without saying "Isn't he the cutest thing!" nor a youth in his "teens" without exclaiming, "How that boy does grow."

If you haven't learned to do without things and be happy, you haven't learned to live.

A man likes to think that he is master of his own home, and a wise wife allows him to think it but she and the neighbors know who.

A man wouldn't mind admitting he is wrong, occasionally, if it weren't for the fact that he would then have to admit that he would then have to admit that somebody else was right.

People smile at the mad infatuation of youth, laugh at that of middle ages and shout aloud at that of old age.

Women still dye their hair occasionally, but they don't "blondine" it nowadays, which shows that the world is getting better.

The truth is that not many men past twenty-five look well in soft collars.

Although there may be as big fish in the sea as ever were caught, after while the average man comes to believe that they are going to stay there so far as his catching them is concerned.

Don't scatter your seeds of kindness in a desert.

You can't clean up a community until you clean out most of it bad characters; and in trying to do that reforms more often are cleaned out than the objects of their reform.

The world is growing better. One seldom sees a stenographer chewing gum these days.

The oldest horse still likes new pasture.

## Farming Is a Business

And like every business, it requires forms, records and blanks that give you the facts about your farm, just as a business man has them about his business.

We print forms and letterheads (every business farmer should have his own letterhead) on Hammermill Bond, the Utility Business Paper.

## SOUR STOMACH INDIGESTION

Thedford's Black-Draught Highly Recommended by a Tennessee Grocer for Troubles Resulting from Torpid Liver.

East Nashville, Tenn.—The efficacy of Thedford's Black-Draught, the genuine, herb, liver medicine, is vouched for by Mr. W. N. Parsons, a grocer of this city. "It is without doubt the best liver medicine, and I don't believe I could get along without it. I take it for sour stomach, headache, bad liver, indigestion, and all other troubles that are the result of a torpid liver."

"I have known and used it for years, and can do highly recommend it to every one. I won't go to bed without it in the house. It will do all it claims to do. I can't say enough for it."

Many other men and women throughout the country have found Black-Draught just as Mr. Parsons describes—valuable in regulating the liver to its normal functions, and in cleansing the bowels of impurities.

Thedford's Black-Draught liver medicine is the original and only genuine. Accept no imitations or substitutes. Always ask for Thedford's.
